

# NZCAR Approved User Application – Enquirer Plus

Please provide answers to all questions.

Organisation Name	
Website / Facebook	
Postal address	
Contact phone / alternate	
Main contact email	
Accounts email	
Breeder / Rescue / Other	
No. Members of your organisation requested to have access:	
Login email/s*	

\*Approved Users are required to use Multi-Factor Authentication when logging in. Please review your options for MFA and the FAQs on our website or talk to your IT team, before advising of your login email/s.

Please describe your organisation/situation:

Please describe your current use of the NZCAR:

Who currently implants your microchips? (Note: this person/org. will be contacted to verify)

Please provide a verifiable reference (e.g. vet clinic, SPCA, council member) who can confirm the details provided above (full name and contact details):

Further references may be required at the discretion of CANZ.

A Ministry of Justice check and financial reference may be requested prior to allowing access to the database.

*The NZCAR has policies in place to help ensure the safety of animals who are being microchipped. While EnquirerPlus allows you to register microchip numbers, if you would like to also implant the microchips, please inform us to [office@animalregister.co.nz](mailto:office@animalregister.co.nz).*

By signing, you confirm you have read and understood the NZCAR [Terms and Conditions](#) including [Privacy Policy](#), [Disclaimer of Liability](#) and [Code of Conduct](#). If part of an organisation, by signing you confirm that you will distribute and ensure the understanding of this information to your team.
